O Lord, we beseech you mercifully to hear the prayers
of your people who call upon you;
and grant that they may both perceive and know
what things they ought to do,

through Jesus Christ your Son our Lord,
who is alive and reigns with you,
in the unity of the Holy Spirit,
one God, now and for ever.. **Amen**

Fauré: Requiem

In this 'Welcome Back' concert at The Apex, the Bury Bach Choir performs a mixed programme spanning 500 years, from Tallis, through Mozart, Bruckner and Elgar, right up to the present day. Many of these pieces are among the choir's favourites.

The main work is Fauré's Requiem, an intimate and gentle work. Consolation in bereavement is the composer's goal in what has become his most popular work.

The programme, with its eternal themes of love, loss, consolation, and renewal, will resonate with listeners and performers alike, as we reflect on the period we have just lived through and begin to resume our usual activities

Remembering the dear departed

Our group service on **Sunday 31st October** at 10.30am at Gazeley will include a special opportunity to remember those we have loved but see no longer and there will be an opportunity to light a candle in their memory.
